

The Heritage-listed brick building from 1886 is the last relic of the former Sihl Paper Factory. The three-storey building offers two outstanding premises: Papiersaal Weiss and Papiersaal Rot.

# PAPIERSAAL

## Papiersaal Weiss Presentations

Industrial architecture shapes the room. The main colours of the room are grey and white and offer a vast range of options for the arrangement of your presentation.

product presentations • exhibitions • seminars • workshops  
speeches • kickoff meetings • dinners

Capacity: 50 to 500 persons

## Papiersaal Rot Get together

The room is dominated by its artistic past. After the factory had been closed down, various artist groups expressed themselves by decorating the walls with their paintings, graffiti and other graphic arts. The room is equipped with a flexible curtain system and a well-illuminated bar which together create a warm and inspiring atmosphere. The urban romance of the room provides the perfect ambience for social gatherings, dwellings and celebrations.

aperitifs • wedding receptions • banquets • formal dinners • corporate events • birthday parties • lounge dinners • entertainment • wine tastings

Capacity: 50 to 500 persons
